

Research profile and CV

Prof. Dr. rer. nat. Hendrik Milting

Herz- und Diabeteszentrum NRW
Universitätsklinikum der Ruhr-Universität Bochum
Klinik für Thorax- und Kardiovaskularchirurgie
Erich und Hanna Klessmann-Institut für Kardiovaskuläre
Forschung und Entwicklung
Georgstr. 11
D-32545 Bad Oeynhausen, Germany

1961	Born in Bielefeld
01.15.-03.15.1981	Practical training as an orderly, received a certificate required for a mechanical engineering education.
10.15.1981-03.15.1985	Bielefeld University. General Science portion completed, began the advanced courses.
04.01.-06.10.1985	Berlin Botanical Museum. Research project of the DFG (,Deutsche Forschungs-Gemeinschaft') on the island Karpathos, Greece.
07.01.1985-10.31.1986	Public service activity instead of required military service for ,Senator für Umweltschutz' in Bremen (environmental protection office of the State of Bremen)
11.01.1986-08.15.1990	Bielefeld University. Completion of the biology education, degree ,Diplom' 1990, major cell biology. Topic: "Cellbiological and biochemical investigations on the loaded and unloaded atria in children with congenital heart disease".
11.15.1990-12.19.1994	Ruhr University Bochum, Institute of Physiological Chemistry I. Ph.D. thesis at the Faculty of Medicine. Topic: "Analytical, biochemical and molecular-biological experiments on the inositol turnover in rabbit skeletal muscle".
08.01.1995-03.31.1999	Head of the Cardiovascular Research Laboratory at the Clinic of Thoracic and Cardiovascular Surgery, Martin-Luther University Halle-Wittenberg, Germany
04.01.1999	Director of the Experimental Research Laboratory of the cardiac surgery department at the Heart- & Diabetescenter NRW (HDZ-NRW) in Bad Oeynhausen, Ruhr-University Bochum

07.08.2004	Director of the Erich & Hanna Klessmann-Institute for Cardiovascular Research and Development at the HDZ-NRW, University Clinic of the Ruhr University Bochum.
07.13.2005	<i>Venia legendi</i> at the Medical Faculty of the Ruhr-University Bochum for Physiological Chemistry.
2008-2012	Visiting professor for biochemistry at the Batterjee Medical College, Jeddah, Saudi Arabia
Since 2012	Professor of Biochemistry at the Medical Faculty of the Ruhr-University Bochum

Memberships in scientific societies

- Deutsche Gesellschaft für Kardiologie, Herz- und Kreislaufforschung (*German Society for Cardiology and Cardiovascular Research, DGK*)
 - European Society of Cardiology (ESC)
 - Heart Failure Association of the ESC
 - Deutsche Gesellschaft für Stammzellforschung (*German Society of Stem Cell Research, GSZ*)
 - International Society for Heart and Lung Transplantation (ISHLT)
 - International Society of Heart Research (ISHR)
-
